Have discussed Cubana landing requests with Foreign Minister.
He will not permit landing Keflavik, and in any event request
was for "technical stop Reykjavik". Foreign Minister is
naturally concerned over obligations under Chicago Convention
but is keeping in close touch with his Ambassador to NATO and
will go along with whatever is generally agreed upon.

Re DEPTTEL 154, only crew members names mentioned in Cuban
request were Captain Cesar Alarcon and co-pilot Manuel
Blanco.

Foreign Minister

now informing Cubans no
reply can be given until matter is considered by Cabinet
which can not meet until next week.
